

The **2024 Canadian Law and Society Association Annual Meeting** will be held in person from **June 15-17, 2024** at **UQAM (Pavillon DS), Montréal (Tiohtiá:ke)**, during the **2024 Congress of the Humanities and Social Sciences (Congress) hosted at McGill**. All events listed in our Program are CLSA-ACDS events, and not Congress. We took the decision to change venue from McGill Faculty of Law to UQAM due to the current strike of McGill Law Professors (**AMPL-AMPD**) and concerns about possible violent police intervention to dismantle protests on campus, which unfortunately ended up happening on June 6. This change of venue was made with the support of AMPL-AMPD and in solidarity with them, who have been working with us since last summer. Due to recent police interventions on McGill Campus, we discourage the cannot assure the safety and accessibility of any events at McGill, which are off-site and not hosted by CLSA.

We will post updates at www.acds-clsa.com.
